Piantao uses Argentine meat from the Aberdeen Angus breed.

These cattle are grass fed all year round in the humid Pampas, they are steer calves weighing approximately 450 kilograms.

Our kitchen selects and ages the pieces for 40 days in cold and controlled humidity to achieve the best state for each cut.

In Argentine slang **PIANTAO** to define refers to being crazy about someone or something in a romantic way.

For Argentines, the best way to explain that Argentines like to explain the meaning of "I am Piantao" by referring to the lyrics of a tango composed by Astor Piazzolla and Horacio Ferrer, "BALADA PARA UN LOCO." It goes like this ...

...

Quereme así, piantao, piantao, piantao...
Trepate a esta ternura de locos que hay en mí,
ponete esta peluca de alondras, ¡y volá!
¡Volá conmigo ya! ¡Vení, volá, vení!

Quereme así, piantao, piantao, piantao...
Abrite los amores que vamos a intentar
la mágica locura total de revivir...
¡Vení, volá, vení! ¡larai-larai-lará!

...

PIANTAO
